Subject: R34313; West Virginia Chemical Leak -- request for consideration
[Stevie Wilding.vcf](#)

Hello Team,

Please see the following and respond for consideration. I guess the sample has already shipped to arrive today. Here's the summary of the request:

R34313; West Virginia Chemical Leak; shipping 1/23 /14; Unvalidated data = 14 days,
Validated Data = 21 days

1 Waste Liquid for MCHM, PPH constituents by OASQA SOP on-demand

I will accept the request and all who would like to be involved can brainstorm on how to proceed on Monday.

*The QLs are not listed.
